## Letter from your Commodore

The last Trustee meeting held at Jackalope's was, in my opinion, the quickest meeting ever. It seems most of the bridge was not feeling well. I was sick with some sort of intestinal something. V/C Bev Sams was just released from the hospital, and the list goes on. I would also like to take the time to wish trustee Burt a speedy recovery. Our thoughts and prayers are with you. Glad to see everyone has recovered from their illness.

On a lighter side, I am seeing more and more people at the marina. It certainly is a sign of spring, even though the temperature doesn't show it. The grand opening of the Wheelhouse will be the 21st of April. Any questions can be directed to V/C Bev Sams. Also, I'll be looking for volunteers to help with getting Tiki Joe's outside bar up and running. Please contact me if you would like to help. Sometime this year I would also like to make our back room in to a clubhouse for Sunday get togethers and so forth. Please let me know your suggestions.

Our past commodore Roger Kubera, is now our power fleet captain, please sign up for the cruises he has planned. It's really a great way to meet the members of the club. In closing, I look forward to seeing you at the club and marina. Get involved, it's your club.

Smooth sailing,

**Commodore Joey Gary**

## Vice Commodore – Beverly Sams

I wanted to let our membership know that we will have already had a joint meeting with our Finance and Management Committee on this year's budget and expenses of the Wheelhouse. I also want to thank Joe George for offering to lend his Chef to give a short course on health issues to our employees. I recently was hospitalized with Salmonella poisoning and this was not fun. So, I want to try and make sure the Wheelhouse complies with all requirements needed.

We are going to try to have the Wheelhouse open for our April 12<sup>th</sup> meeting. At this time, the bar will be open but not the kitchen.

**Mark your Calendars** for April 8<sup>th</sup> and 15<sup>th</sup> at 10:00 am, for the Wheelhouse Cleanup. This year, we are doing it in two weekends, to make sure all equipment is in working order and no surprises at the last minute on repairs. Yes, I know the ILYA Spring meeting at Sandusky Holiday Inn is the weekend of the 8<sup>th</sup> and members will be

## Rear Commodore – Dave Swagger

Spring is here. Boating season is just around the corner. When we had that rush of summer last week, there was a lot of activity at the marina, people uncovering their boats, and scurrying around working. As you are reading this newsletter, my little fingers are putting my boat engines back together. If anyone is bored and knows about engines, they're welcome to help me. It gets a little lonely in my garage. Somehow, Pat does not get into engine grease.

I really want to thank everyone for serving on my committees this year, and special thanks to Nan Kubera for helping Pat on Ways and Means. See you at the Wheelhouse clean-up.

**Your Rear Commodore David L. Swagger**

## SAIL FLEET CAPTAIN – Bill O'Brien

We have 6 docks reserved Labor Day weekend at Huron Boat Basin, from September 1-3. Application is attached to this newsletter.

We also have tentatively reserved 6 docks at Whiskey Island Marina in Cleveland for the weekend of July 14-15. They cannot give us a definite confirmation until the end of April because they want to see how many permanent dockers they have this year. Anyway, they don't foresee a problem, so mark your calendar for that weekend. I will keep you informed.

## FOR THE GOOD OF THE ORDER

I would really like to try and make this newsletter a little more personal. It is your Yacht Club so you should have some input into the newsletter. I would like to start to collect birthdates (don't have to give me the year if you don't want to), wedding anniversaries, new family additions whether a child, grandchild, spouse, or new boat. Maybe you have an interesting boating experience that you would like to share. We have some new boaters that might learn something from an experienced boater. Are you going on a vacation, taking a cruise on your boat this summer, proud of some accomplishment you or a member of your family has done, etc.

Some special dates for April:

- April 9<sup>th</sup> is Carol Forberger's "39<sup>th</sup>" Birthday
- April 15<sup>th</sup> is my husband Ron Buddie's 60<sup>th</sup> Birthday
- April 28<sup>th</sup> is Richard and Sue Potash's 3<sup>rd</sup> Wedding Anniversary

**Your Time is Not My Time**

A boat painter was awarded the job of painting a small sail boat and when he was asked by the owner, how long it would take him to finish the job, he replied, "Two weeks".

Three weeks went by and the owner, a little concerned of the delay, confronted the painter. "Hey Paul", said the owner, "You told me that it would take you two weeks to paint my boat and it's been three weeks...What's up with that?" The painter put his paintbrush down, looked the owner square in the eye and said, "That was two NAUTICAL weeks, like a nautical mile, they're a little longer".

**Paint and One Hull of a Time**

John decided scrape and paint the hull of his 21' foot wood cruiser. Not being sure how much paint to buy and knowing that Paul, a close friend who had the same size boat had recently painted his, he gave him a call.

"Paul," he said, "How many gallons of paint did you buy for your boat?" "Six," said Paul.

John went out and bought six gallons of paint but when the job was done he had two gallons left over!

Calling Paul again, "Paul," he said, "I bought six gallons of paint for my boat, but I've got two gallons left over."

"Yes," said Paul, "So did I."

**You can come out now... it's Spring!**
