## Commodore – Beverly Sams

Can you believe it's September already, where did out summer go?

August was very busy for Westlake Yachting Club with Mentor Lagoons Yacht Club, Lake County Yacht Club, and West Channel Yacht Club having a joint cruise at our place. They really enjoyed themselves with our Taco's, Margaritas', Denny Michaels tunes and the welcomed feeling shown by our members and employee's.

During their stay, I found out that Past Commodore Charlie McCahan's daughter, Bonnie was among the group. I told her that her father's boat was still at Spitzer's and still at F dock. She couldn't believe it. Then we had a surprise visit from our first Lady Commodore – Past Commodore Nancy McCahan, she was happy to see some of her old friends still members and involved in Westlake Yachting Club. All three clubs want to come back next year with more of their group.

Thanks to our Docking Committee, headed up by John Lively, Trustee, did a fantastic job on getting all boats docked. Our committee consisted of: John Blazetic and Larry Nagy. Thanks Guys!!!!

Then next weekend, United States Power Squadron had their District 7 Cruise at our facility, of which Jim and I are Bridge Officers. This is the same weekend our club had a cruise to Cedar Point, so my docking crew was not available and Ladykin IV couldn't go because of her listing to port. Needless to say, starboard engine is pulled. Yuk... So I made myself useful docking wind blown boats coming in from D/7 and Huron Sailing Yacht Club. With 20 to 30 knot winds, what a fiasco. All safely got in.

On Sunday morning even with heavy rains, it didn't dampen the spirits of 56 hearty souls, plus our regular's to enjoy our breakfast buffet. Many thanks to Carol Forberger, Joyce Rhodes, Keith Chafer & Nancy, Bob & Barb Sefcovic, Virgil & Barb Rader in helping over the weekend filling in wherever necessary, to make it a success. Sorry if I have overlooked anyone.

Don't forget October 6<sup>th</sup>, which is a Saturday, the Jet Express will be coming into Spitzer Riverside and in conjunction with I-LYA, we will be going to Put In Bay for the day. This is a fund raiser and open to anyone that wants to go. So ask your neighbors, docking partners, etc. to come along and enjoy the fun. Tickets are limited to 280 at \$55.00 a person. I have included a informational flyer in this issue. This information is also posted on our website and I-LYA's. Remember get your tickets early or you'll miss out on a Day at the Bay.

## **Vice Commodore – Robert Sefcovic**

Ahoy All,

It's hard to believe August is coming to an end. Our most recent event, Taco Nite, was a huge success. Many thanks to Secretary Rhodes for taking the lead, as well as the crew she assembled, for making it a hit with all that attended.

We must also thank the members of the Mentor Lagoons Yacht Club, Lake County Yacht Club, and the West Channel Yacht Club for their presence. They indicated to me they would like to make the trip to our facility an annual event. That in itself shows how much they appreciated our hospitality. They asked if we would consider coming up their way for a weekend. I think this would promote our I-LYA affiliation.

The Cedar Point cruise has also come and gone, though I was not able to attend, I trust everyone had a splendid time. The weather cooperated with plenty of sunshine and lower humidity. The trip home Sunday, however, was a different story.

I'll take this time to remind everyone that September is rapidly approaching and so are the annual Clam Bake and Silent Auction. Let's try to make this our best ever. Remember, it is your donations, for the auction, that benefit the club in a most rewarding way.

Also, September 29<sup>th</sup> I am planning a Friday special of home made Pierogis'. My son-in-law has agreed to take off work and come up and let me help him create these tasty treats, along with perch, kielbasa and possibly some other ethnic delights.

Involvement and participation are key in any organization, and ours is no exception. Everybody possesses a skill or talent that could benefit the organization. The pay, there is none, however, it is the gratification and satisfaction of providing some service, no matter how significant, to ensure the survival of the Westlake Yachting Club.

Smooth Sailing

V/C Robert R Sefcovic

## **Rear Commodore – Keith Chafer**

This is my first rendition for the Newsletter.

Let me start by thanking the membership for providing me with the opportunity to serve as a flag officer. I believe it is a great honor and will do my best to deserve the trust you have bestowed upon me.

As VC Sefcovic mentioned in the August Newsletter, "the finance committee is currently examining our assets as they currently stand to see what we as a club need to do to remain solvent. In many cases, inflation is eating away any surplus funds faster than we can replenish them". This process is still taking place but something we all can do to help is to encourage new members to join and also give business to the Wheelhouse. Please remember that this is your club, its success depends on all of the members, not just the Bridge officers and Trustees.

Please get involved in the club, volunteer for a committee, attend the monthly meetings, help out at a function, etc, and if you have any good ideas for functions, improvements, etc, please voice them.

On a lighter note, Taco night was a great success, everyone had fun and the rumors that Vice Commodore-able, Barb Sefcovic, lost her pants are not true....she found them. Also the rumor that our Commodore slept with a stranger that night is also not true.....She has known Teri for a long time. Joking aside, it was a great fund raising for the club and the other Yacht Clubs that attended said they would be back, to visit again, next year. Thank you to Joyce and Bob Rhodes and everyone else that was involved and helped out on this occasion.

There have been other functions around the Wheelhouse recently, including:

A day for underprivileged Kids

A Power Squadron Function

Spitzers Riverside Dockers Party

A Members Graduation Party

A special thank you goes out to Lorain Coast Guard who gave the kids a boat ride and tour of their station and all the others who helped in the clubs participation of these functions, anything that improves the clubs visibility and standing in the community can only be a good thing.

Boat Safe or not at all.

R/C Keith Chafer

**BOAT CRUISES! BOAT CRUISES!!**

All the boat cruises are behind us now, and they were all a very good time. Our most recent trip to Cedar Point was really fun. Friday was very windy, but those that left Friday morning had a fairly good trip over. Saturday was not only a beautiful day, but a fun-filled day as well. Many members of Point Yacht Club came over to our docks and joined us for a Bloody Mary (and Champagne Punch) Party. In the evening they hosted a cookout and party in their pavilion. Everyone had a great time.

Next year we currently have Huron Boat Basin scheduled for June 13 & 14 and Kelly's Island for July 18 & 19. Cedar Point cannot be scheduled till after the first of the year. We are talking about the possibility of adding a fourth cruise - to Put-in-Bay. If anyone has any input, let us know.
